The ABA Insider™

Insights for improving profits, cash-flow, and quality of life

July 2007

ABA's Timeless Treasures Series **Taken from:** **The Business Guide, Twenty-Sixth Edition, 1891**

— BUSINESS MAXIMS —

Reality makes no allowance for wishes or bad plans.

Goods well bought are half sold.

Goods in store are better than bad debts.

By prosecuting a useful business energetically, humanity is benefited.

Keep accurate accounts, and know the exact condition of your affairs.

Be economical: a gain usually requires expense; what is saved is clear.

The ABA Insider is published by American Business Advisors, Inc. to provide business and personal improvement information and ideas. All material is presented to provide general and broad information only. The information found in this publication does not constitute business, tax, financial, or legal advice and should not be acted upon without seeking the counsel of professional advisor.
